LOGISTICS &
TRANSPORT**

Delivering Innovative
Solutions for Your
Business

ABOUT US

Fajr Al-Sharqiya Land Transport has evolved from a specialized regional operator into one of the Kingdom's most reliable partners for industrial transport. We operate at the intersection of decades-old experience and modern logistical technology.

Our commitment is simple: To deliver mission-critical cargo with zero compromise on safety or schedule. From large-scale civil works to Oil & Gas deployments, we provide the muscle that moves the Nation.

A Tradition of Trust in Saudi Logistics

CORE VALUES

Unwavering integrity, safety-first operations, and an relentless drive for excellence in every mile we navigate for our partners.

Our Vision

To set the regional standard for specialized land transport through safety, technological integration, and heavy-duty logistics excellence.

Our Mission

To provide high-efficiency, reliable, and secure transportation solutions that empower our clients to achieve their project milestones without compromise.

OUR SERVICES

- **Transport of Heavy Equipments**

Specialized heavy-lift transport for industrial machinery, cranes, excavators, and large-scale construction equipment.

- **Land Transportation Services**

Reliable overland freight services with real-time tracking, modern fleet vehicles, and nationwide coverage across KSA.

- **Transport of Bulk Cargo**

Efficient high-volume cargo handling with secure packaging, weight management, and time-sensitive delivery.

- **Transport of Electro Mechanicals**

Precision transport of sensitive electrical and mechanical systems, generators, transformers, and industrial power units.

- **Land Transportation of Goods**

Safe and timely delivery of commercial goods, retail inventory, and industrial supplies across all regions of the Kingdom.
